Monaco, the French Riviera, Corsica & Italy's Tuscan Coast

A Mediterranean Odyssey

Explore the most exquisite ports of call in France and Italy where history and natural beauty take center stage.

Time after time, CEO's cruises aboard the SilverSea ships receive glowing commendations from your fellow members. The *Silver Cloud* provides a unique sense of intimacy — magic happens on a ship of this perfect size. Smaller ports are accessible, discussions become intimate, friendships flourish easily. Your 2007 cruise with University Chairs **Dave & Anne Calhoun** promises in-depth explorations of the Mediterranean's quintessential ports; celebrations of the regions' marvelous foods, wines and music; and time to enjoy all the *Silver Cloud* has to offer.

The *Silver Cloud's* staff delivers impeccable service; its amenities are nothing but luxurious.

Awaiting you: Frances' fashionable southern coast, Tuscany's charming villages, Corsica's hidden treasures and Naples' vibrant history.
