# Medicaid Health Plans of America

**Q.** What is the ***largest health insurer in the US*** covering over ***66 million people*** or 1/5 of all Americans and spending over ***\$415 billion*** for their care?

**A.** **It's Medicaid**

Medicaid Health Plans of America (MHPA) and its member companies that provide risk-based capitated care to most Medicaid beneficiaries welcome the 114<sup>th</sup> Congress.

MHPA looks forward to working with legislators to ensure our nation's disadvantaged access to quality care while providing budget stability to the states.
